

ELECTRONIC DATA INTERCHANGE (EDI) TRADING PARTNER INSTRUCTIONS

State Form 51400 (R/8-07)
Indiana State Department of Health

The Indiana State Department of Health (ISDH) is committed to conducting its business transactions with the health care provider community as efficiently as possible. Therefore, ISDH encourages all participating providers to utilize Electronic Data Interchange (EDI), as is appropriate and practical.

Providers and Clearinghouses who are interested in filing claims electronically with ISDH are required to become an ISDH trading partner.

There are currently three (3) methods of exchanging data with ISDH. Please use the below grid to determine what forms are required depending on your data exchange method.

Method #	Data Exchange Method	Trading Partner Agreement	Trading Partner Profile – Provider	Trading Partner Profile – Clearinghouse
1	Provider sends EDI direct to ISDH	Required Provider Completes	Required Provider Completes	N/A
2	Provider sends EDI using a Software Vendor	Required Provider Completes	Required Provider Completes	N/A
3	Provider sends EDI using a Clearinghouse	Required Clearinghouse Completes	Required Provider Completes	Required Clearinghouse Completes

Method #1: Direct EDI

ISDH requires all providers exchanging electronic data with the ISDH directly to complete and submit the Trading Partner Agreement form and an EDI Trading Partner Profile-Provider form.

Please refer to our EDI Companion Guides at <http://www.in.gov/isdh/programs/cshcs/provider.htm> for additional requirements and current status of Direct EDI submission.

Method #2: EDI exchange through a Software Vendor

ISDH requires all providers exchanging electronic data through an intermediary to complete and submit the Trading Partner Agreement form and an EDI Trading Partner Profile-Provider form.

Software vendors who are acting as a network switch between providers and clearinghouses are NOT required to become an ISDH Trading Partner but have to be certified by ISDH. Certification is done by testing with ISDH.

Method #3: EDI exchange through a Clearinghouse

ISDH requires all providers exchanging electronic data through a Clearinghouse to complete and submit the EDI Trading Partner Profile-Provider form.

Providers of Service who exchange electronic data via a clearinghouse do **NOT** need to submit a trading partner agreement.

The clearinghouse is the trading partner and is required to submit both EDI Trading Partner Profile-Clearinghouse form and Trading Partner Agreement form.

Forms:

1. Trading Partner Agreement

The trading partner agreement is an understanding between parties who have chosen to become electronic business partners. The trading partner agreement stipulates the general terms and conditions under which the partners agree to exchange information electronically. If an entity is sending multiple transaction types electronically, only one signed trading partner agreement is required.

If a provider of service is submitting transactions through a clearinghouse, the clearinghouse is the trading partner and a trading partner agreement is not required from the provider of service.

2. Trading Partner Profile-Provider

The Trading Partner Profile-Provider provides us with needed information that is required to ensure HIPAA compliant data exchanges.

ISDH requires all providers exchanging electronic data with ISDH directly or through an intermediary to complete and submit the EDI Trading Partner Profile-Provider form.

3. Trading Partner Profile-Clearinghouse

The Trading Partner Profile-Clearinghouse provides us with needed information that is required to ensure HIPAA compliant data exchanges.

ISDH requires all clearinghouses exchanging electronic data with the ISDH to complete and submit the EDI Trading Partner Profile-Clearinghouse form.

The completed document(s) must be signed and mailed to the following address:

Indiana State Department of Health
Office of HIPAA Compliance
EDI Division 3K
2 North Meridian Street
Indianapolis, IN 46204-3010

Once the required documents are received, we will determine whether ISDH requires a Trading Partner Agreement be sent to the Clearinghouse indicated in the Trading Partner Profile-Provider form.

Upon receipt of the Trading Partner Profile and Agreement, the trading partner will be contacted to conduct EDI testing and or implementation.

If you have any questions about these forms or about the process, please contact our EDI Division at 317-233-9803.

This agreement is automatically terminated in the event the Trading Partner or provider is disqualified through a federal administrative action or state action.

7. That any document transmitted according to this agreement will be considered an original and signed when received electronically. Neither party will contest the validity or enforceability of signed documents under any applicable law concerning whether certain agreements must be signed in writing to be binding. Neither party will contest the

8. That neither party will be liable to the other for any special, incidental, exemplary, or consequential damages resulting from any delay, omission, or error in the electronic transmission or receipt of any document, even if either party has been advised such damages are possible.
